Toby is a very friendly and active 10-month-old who was rescued from a neglectful situation by a caring and concerned neighbor. Now Toby is at Homeward Pet, where he is receiving lots of attention and healthy food. He needs to add to his 41 pounds, but he's on the fast track to being big and strong!

Toby would benefit from an active owner who would like to take him through training and provide daily exercise and structure. He is eager to learn, but still needs to get his house training and basic commands down. He is best suited for kids over 6 years old who are sturdy and comfortable enough to be around a strapping and rambunctious dog.

Toby will make a great running or hiking companion, or a dog that clears squirrels out of the backyard! He is friendly with other dogs, but should have a cat-free home. If you are looking for an outing buddy to keep you company, consider making Toby yours!

Come meet Toby at Homeward Pet! We are located at 13132 NE 177th Place in Woodinville and are open for visitors between 12 noon and 6 p.m., Wednesday through Sunday.
